Why Island Spirit?

We are fully insured and everything once you arrive in Sri Lanka is included: visas, meals, accommodation, activities, and transfers. We are the first company in the world to be a member of the World Fairtrade Organisation and specialise in responsible travel, so you know your money isn't going to a middle man but straight to the people you meet on the islands.

We've been working in Sri Lanka for over four years so we know the locals you're working with personally. We are a small, social enterprise which allows you to talk directly with Kirsty, the Founder, you are not one of the masses, this is more personal and you are much more connected with both the local people and environment.

Just by travelling with Island Spirit you are already helping generate fair income for these tiny outer island villages. For example, depending on the group size, each homestay host will receive between USD\$17 per person, per night with three home-cooked meals.

Deal

If you get 5 friends to book together (with yourself as 6) then you go for 30% off!

Does it suit me?

Designed for students who want to use Sri Lanka as their destination for gaining marine-based volunteering experience.

It also helps students to demonstrate understanding of legal, social and ethical issues which can be transferred to the professional sector.

Students studying subjects as diverse as tourism, photography, geography, business, entrepreneurship, biology, marine biology, anthropology, international development
